

# Rail Map for People with Reduced Mobility

You can find more information about stations and their facilities by visiting <http://nrekb.nationalrail.co.uk/stations/> Type in the name of the station you require. Train times and prices are also available on this website. You can discover more about stations, train times and prices by telephoning **08457 48 49 50** (textphone **0845 60 50 600**).

If you need to book assistance getting on and off the trains, try to contact the train company to make arrangements at least 24 hours before you make your journey.

Sept 2006

| Key   | Operator                                      | Textphone      |
